## Welcome

To children and families both joining and returning to Pre-School after the Summer holidays.

## Newsletters

We will be sending all future newsletters to the main email address held on your child's registration. If this will not work for you, please let Jan know and she will print a letter for you and leave in your child's drawer.

## Tapestry

At Pre-School we have now transferred fully to the online learning journal, Tapestry. Please complete your details and return the form to the office if you have not already done so, so that we can set up access for you as parents. This will enable you to see what your child has been doing at Pre-School and allow you to contribute to their learning journal through comments and adding photographs and observations from home. If you would like a demonstration before you sign up please ask Patsy. We have received many positive comments, building a stronger partnership to develop your child's skills together.

## Newsletters

Newsletters, policies, term date and useful links are all available on our website.

### Facebook

As a way of sharing information and events we have set up a Pre-School Facebook page. This is a closed group where you can go to see messages and dates from Pre-School and also message us if you have a query. You will receive an invitation to join the group but of course it is your choice whether to accept.

### Diaries

Now that we can now share and exchange information through your child's online learning journal we are unsure of the benefits of diaries as a way sharing information. Your child's key person will discuss this with you to establish what is best for you.
